

ALLNEW HYGIENE

QUALITY MANAGEMENT POLICY

QUALITY MANAGEMENT POLICY

ALLNEW HYGIENE PTY LTD has established and maintains an efficient and effective Business Improvement Management System (BIMS) based on the requirements of ISO 9001 – Quality Management Systems.

ALLNEW HYGIENE PTY LTD will review and audit the Business Improvement Management System periodically to ensure it remains relevant and appropriate to the purpose and context of **ALLNEW HYGIENE PTY LTD**.

Measurable objectives for our BIMS will be set to support our strategic direction and they will be continually reviewed to ensure their relevance and effectiveness.

ALLNEW HYGIENE PTY LTD is committed to:

- The satisfaction of our customers through the provision of the highest quality products and services
- Deliver products and services on-time
- The continual improvement of performance of the Business Improvement Management System
- Satisfy applicable requirements and legal requirements and other requirements such as Regulatory, Legislative and Statutory Requirements, standards, specifications, and codes of practice relevant to our Business Improvement Management System.

As Director of **ALLNEW HYGIENE PTY LTD**, I fully support the pursuit of quality and the implementation of the Business Improvement Management System. I am accountable for the effectiveness of the BIMS. I am committed to communicate and make available this Policy to Interested parties as well as review it periodically to ensure it remains relevant and appropriate to **ALLNEW HYGIENE PTY LTD**.
